Learn a little more about the Brian Jordan Foundation:

Brian is an accomplished children's author, with three books under his belt and more to come. Our program **Bats4Books** makes it possible for the BJF to give away books to schools, libraries and to inner-city children who do not have home libraries.

Businesses can participate in our Bats4Books program simply by offering a paper "bat" for sale at \$1 each.

Pitch In 4 Profits is another program that supports Camp Jordan and our scholarship program. This program allows a business to pick a date and time to share a portion of its profits with the BJF.

Thank you for your support of our ongoing efforts to provide outreach and continue to prove that:

*"In Every Child
There is the Potential
for Excellence."*
